Category:LEO FRANK TRIAL BRIEF OF EVIDENCE

W. T. HOLLIS, sworn for the State in rebuttal.

Mr. Reed rides out with me every morning. I don't remember talking to J. D. Reed on Monday, April 29th, and telling him that George Epps and Mary Phagan were on my car together. I didn't tell that to anybody. I say like I have always said, that if he was on the car I did not see him.
